

## **Graduate Civil / Structural Engineer Job Opportunities** **2023**

Burroughs is a long-established family business specialising in civil & structural engineering and project and cost management consultancy. We are a sustainably growing business with around 45 staff. We have been in business since 1988 and we have developed a reputation for both practical and innovative designs and an ability to engineer solutions to make complex schemes successful.

### **Job Summary**

We are looking for bright, enthusiastic, and open-minded individuals to join our friendly team in Cardiff.

Working within a multidiscipline team and overseen by a Senior Engineer, you will contribute to the delivery of the civil engineering design on a range of challenging projects across a variety of sectors including, Green Energy, Airports, Highways, Infrastructure, Sustainable Drainage, Water, Commercial and Industrial.

The role is challenging, varied, and you will thrive solving engineering problems. We look after our clients; their work challenges us, stimulates us, and allows us to be proud of our contribution to a changing world. We would therefore expect you will want to work and support a culture in which employees take pride in their work and are focussed on customer service. We look after our staff and invest energy in their technical, academic and professional development.

### **Skills / Qualifications Required**

- Civil / structural engineering degree and preferably a Masters;
- Full, clean drivers' licence is advantageous;
- Ability to work using own initiative and demonstrate a methodical approach;
- Excellent written and verbal communication skills; and
- Ability to work well independently and as part of a team

### **Benefits (please visit <https://www.burroughs.co.uk/worklife-burroughs/>)**

- We pay fair to market leading salaries;
- Agile/flexible working to support the personal lives of staff;
- 24 days annual leave (excluding bank holidays, 3/4 are mandated to be taken at Christmas when the office shuts down);
- Additional one day annual leave allowance for every 5 years in employment;
- Life insurance and life assurance policies and a health care cash plan (Westfield);
- Contributory pension scheme (7%);
- We pay professional institution membership fees (ICE, IStructE RICS; etc.);
- We provide a pathway to Professional Membership;
- Formal, external training courses;
